

## Go Ye, Means Me!

It's spring! Yeah!!! What a glorious time; new life springing forth and everything looking new. Things are buzzing around the office and around Harvest Family Church as plans for summer outreaches are being organized. It reminds me of what our Lord said, "Go ye into all of the world and preach the gospel". We have been fed the uncompromised Word with revelation. Now, it is time to GO into our world. Go to your neighbors and fellow employees and tell them the good news that Jesus is alive and cares about them. Live it, show it, and let His light and love shine through you. Get someone else on your mind beside yourself. Help your pastor to fulfill God's vision for your church. There are things that God would like done but it is up to you to act. You are mature and learned people of God. Like minister Terri says, "Pastor's got a Vision so I Gotta Work". We need to get our hearts in line with God's full picture and stop trying to be a one-person show. It is time to put our hands to the plow, so to speak, and do what is needed to get the job done.

You might say "But you do not understand, nobody sees what I do". God does! He also sees what you do not do. The children of Israel never got out of the wilderness because all they thought about was themselves. Joshua and Caleb had to raise up a new generation that could work together, eat together, worship together, walk in faith together, and obey God and their leader Joshua together. I do not want anyone taking my place do you? So join hands in faith and love together. We can take this land united together, but we cannot do it separately. Lay aside the weights that hold you back: the attitudes, the fears, and the experiences. Fall in love with Jesus all over again. Return to your first love and HE will fill you to overflowing with Himself. Let us all get excited about Him and the wonderful freedom of the Gospel. You can do it. All it takes is seeking, receiving and obeying Him, Jesus. Have a great spring and remember Jesus loves you and so do I.
